### Parking at All Saints Church

★ 140 Pleasant St, All Saints Church Parking Lot

★ 20 Irving St Parking Lot

★ 45 Chatham St Parking Lot

**At All Saints, there are three main parking options available. See the map above.**

- 1) The first lot is the main church parking lot in the rear of the church at 140 Pleasant St. Please note that some spots are reserved for clergy and staff. Please do not park in these spots even if they are empty. You can enter the church through the back entrance located at the parking lot. This is a handicap accessible entrance, so please allow guests who may have trouble walking park in this lot first.
- 2) Two more parking lots will be available at 20 Irving St. (next to the church) and 45 Chatham St. (about a half a block from the front door of the church.) Please note that these two lots are owned by the Worcester Public Schools Superintendents Office who have signs posted, but **these lots are open and available for you to use on the evening of April 24th.**
- 3) There is some on street parking available on Irving St. right in front of the church available.

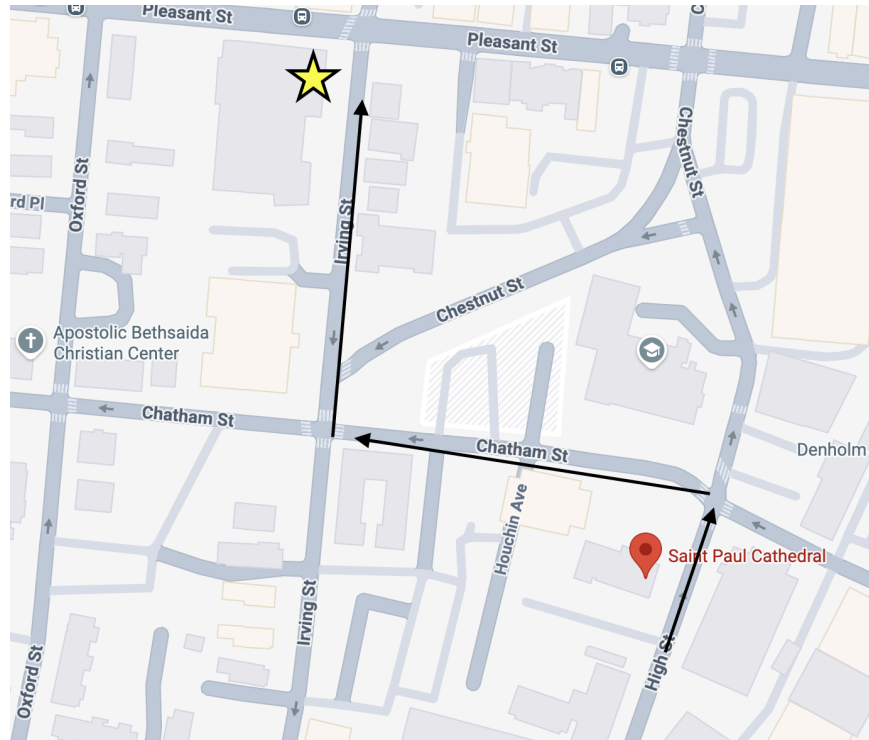

## Overflow Parking

If in the event, the recital draws crowds the size of Whitney Houston, Michael Jackson, or Taylor Swift, additional overflow parking options are available if the All Saints lots are full. See below:

### Location #1 (0.3 Mile/5 Minute Walk):

Cathedral of St. Paul

38 High St., Worcester MA 01609

### Parking at the Cathedral of St. Paul (see map above)

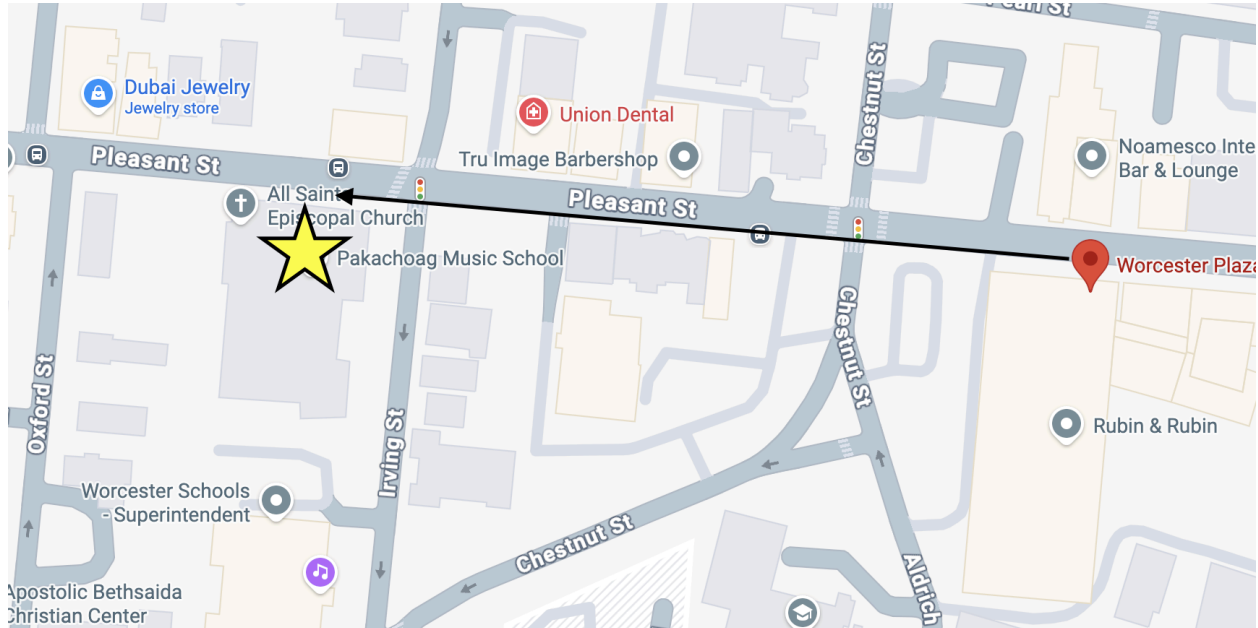

Our friends at another historic Worcester Church, the Cathedral of St. Paul, have generously allowed us to use their overflow lot in the event we need more parking.

- To park at the Cathedral, enter the parking lot at 38 High St. You will first enter in a smaller lot on the left of the Cathedral Rectory. Continue into the parking lot until you see two large green dumpsters. Drive past the dumpsters and take left, and you will see a large open area where you may park. This is the Cathedral overflow lot. **Do not park in front of the apartment building. There will also be a Mass going on at 6:15PM, so do not park in the smaller parking lot next to the rectory either.** Follow the arrows on the map which will take you on a short walk to All Saints.

**Location #2 (0.2 Mile/4 Minute Walk) NOT FREE**

Worcester Plaza Garage

40 Pleasant St., Worcester MA 01609

**Parking at the Worcester Plaza Garage**

- The Worcester Plaza Garage will be open the evening of April 24th. This garage is **NOT FREE**, and normally runs at a rate of around \$10-\$20. If you choose to park here, it is a very quick walk straight up Pleasant St. to All Saints.

**For Holy Cross Students and Staff Only**

Since this recital will be at All Saints Church in Worcester, the HC Music Department has generously offered a shuttle service on April 24th, too and from All Saints for students and faculty coming from the college. We ask that you [fill out this form by March 30th](#) so we can estimate the number of shuttles needed. More information will be sent to you about where to meet the shuttles as the recital nears. If you know of any HC friends who may not have shared this link and would like to attend, please feel free to share. The form is only accessible using your Holy Cross gmail account.
